Have you seen the new QUESTION OF THE WEEK board posted in the south stairwell of Gallvin Hall, between the 1st floor and the basement? Each week you can give your opinion on a new question of the week about current events, pop culture, sports, and other topics of interest. Voice your opinion BUT, NO PROFANITY, PLEASE; write in a small but legible manner; and be constructive with criticism and generous with praise!

PIANO DUO TO BE HEARD ON THURSDAY

The PEROTTI-DUTT PIANO DUO has captured the attention of critics and the public for their exciting performances of music for the four hand piano. These dynamic young artists will be heard, in concert, on Thursday, February 29 at noon in Reed Hall Room 160. The duo, comprised of the Italian Cristina Perotti and the American Laurence Lynn Dutt, was formed in 1984 at the Accademia Chigiana in Siena, Italy. They have performed throughout the United States, South America, and Europe. Through their research in music libraries in the United States and Europe, they have discovered a number of "lost gems" including a previously unknown arrangement of Liszt's Hungarian Rhapsody #2 by the composer himself. The couple recently released "Salon Favorites For Four-Hand Piano" for Electric Records.

ROTARY CLUB AWARDS SCHOLARSHIPS

The Lima Rotary Club recently honored two local students with Lima Rotary Foundation-Harry Poulston Scholarships. Heather Hoehn and Emily Smith have each been awarded \$1000. Smith is a 1995 graduate of Perry High School and Hoehn is a 1995 graduate of Lima Central Catholic High School. Both attend The Ohio State University at Lima.
